Dear Interior Designer,

**We have the largest collection of**  
**Sari Silk rugs in Hampton Roads!**

You can not deny the beauty and allure of Sari Silk rugs...and I can tell you that these photos don't do them justice. You really do have to see in person, our amazing collection of Sari Silk rugs that have just arrived from India.

Each Sari Silk rug is a one-of-a-kind master piece that is hand woven using recycled silk from the bright and bold Indian Saris that are a staple of their wardrobe. So truly, no two Sari Silk rugs are alike.

Come see our latest collection of these magnificent rugs in strong, luminescent colors. They will make a wonderful center piece to any room.

Thank you for keeping us in mind when shopping for your clients. We are always happy to assist you by delivering a variety of rugs to your client's location and positioning them for your "approval" viewing at no charge. And as always we offer a **competitive Interior Design Commission**. I look forward to showing you the new collection of rugs.

Regards,

**Mark**
