April 2013

Dear Interior Designer,

We have stylish "Rugs on a Budget" for every room!

We know that every new design project has its constraints. If budget is one of them, be sure to check out our stylish "rugs on a budget". We offer gorgeous, popular rugs at affordable prices.

Come see

6x9 rugs start at \$199

9x12 rugs start at \$599

Leave no floor uncovered. These rugs are perfect for any room or design project—all tastes, all styles. If your client has a second home and needs an affordable rug, we have it. If your client is looking for a good looking, stylish rug for an office space or perhaps a kid's room, we have it.

Thank you for keeping us in mind when shopping for your clients.

We are always happy to assist you by delivering a variety of rugs to your client's location and positioning them for your "approval" viewing at no charge. And as always we offer a **competitive Interior Design Commission**. I look forward to showing you the new collection of rugs.

Regards, Mark
